

# WESTERN RANGE

.....WINES.....

## JULIMAR VERDELHO

**Vintage:** 2010  
**Variety:** Verdelho 100%  
**Region:** Perth Hills  
**Alcohol:** 12.5%  
**Cellar:** 8+ Years

### TASTING NOTES

**Colour:** Pale straw with green hues.

**Bouquet:** Intensely aromatic with delicate tones of green apple, kiwifruit and citrus.

**Palate:** The palate is dry, elegant textured with persistent fruit flavours of lemon, mandarin and stone fruit, coupled with a lingering zesty finish.

**Cuisine:** Ideal with spicy Asian foods and seafood dishes.

**Fruit:** Fruit for this wine was sourced from one of the best vineyards in the Perth Hills, which have been planted on hilly terrain and lean gravelly soils. The result has been low yielding vines producing intense spice and fruit salad characteristics.

**Winemaking:** A different approach was taken by the winemakers to make this style of wine with an emphasis on showcasing the purity and simplicity of the variety. Picked in the cool of the early morning, and processed immediately to retain all the fresh fruit characteristics, this wine was fermented cool with cultured yeast to allow the natural fruit flavours to break through.
