Region: Perth Hills
Alcohol: 13.0%
Cellar: 7 Years

TASTING NOTES

Colour: Bright straw.

Bouquet: Lifted aromas of tropical fruits are enhanced by passionfruit and lime undertones.

Palate: The wine is medium bodied with the same zesty tropical fruits dominating the palate. These flavours are well integrated with crisp acidity creating a flavoursome wine with a clean, fresh finish

Cuisine: Perfect with creamy chicken cuisine or as an all year round qwoffing wine.

Fruit: The fruit for this fabulous blend has been drawn from various vineyards in the local area. The fruit was picked when the flavours were at their peak and an excellent balance of sweetness and acidity remained.

Winemaking: Picked in the cool of the evening and immediately processed to stainless steel tanks where the juice was fermented at a cool temperature to maintain freshness and lovely balanced flavours. The wine was then carefully matured in tank until the flavours of the wine were at their peak.
