TASTING NOTES

Colour: Pale straw.

Bouquet: Fresh aromas of ripe passionfruit are well complemented by hints of lemon & citrus.

Palate: Succulent flavours of lemon rind and passionfruit lead into a generous and textural palate. A clean and crisp acidity create excellent balance and a fresh, lingering aftertaste.

Cuisine: Light foods, chicken, fish and Asian cuisine or on its own.

Semillon Semillon was picked from our local area at 12.5 baume to retain freshness and flavour. This was fermented cold in stainless steel to retain all its fresh aromatics.

Sauvignon Blanc: The Sauvignon Blanc was sourced from a cooler southern region and barrel fermented to add character and complexity.
